

WELCOME TO CLEARING 2021

Clearing on the Web Training and Reference Notes

Please retain a copy of these notes for your session on the clearing hotlines.

If you have any problems attending your allotted clearing session please arrange cover from within your Academic Group or Department.

Contact during Clearing:

PLEASE REMEMBER

Staff are making 'recommendations' for offers on courses, only the admissions team can make official offers onto the courses once all qualifications and statuses have been checked.

Most applicants will be applying with qualifications obtained under the "new" UCAS tariff introduced in 2017 but please be vigilant when assessing points. We must be really clear and clarify with the student what they have achieved and when, to ensure applicants are offered an appropriate course.

Please do not disclose our entry points to any applicants, ask them what qualifications they have and we will look if they are eligible for any of our courses, even if they are persistent.

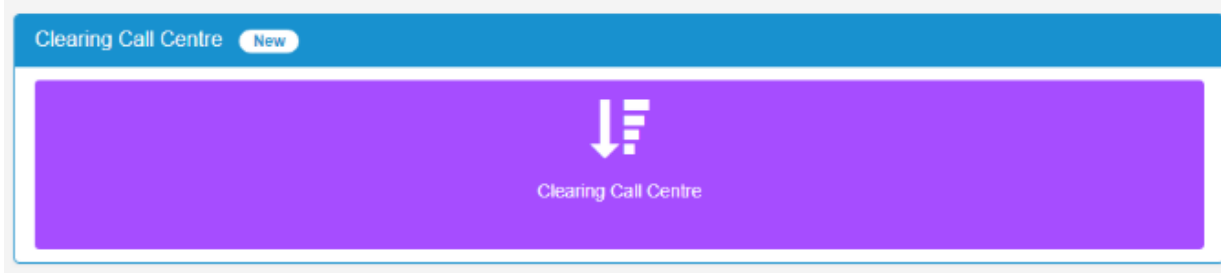

Clearing callers cannot refer via UCAS Track on Thursday 13th August until 3pm.

Callers will automatically be provided with email instructions following the call.

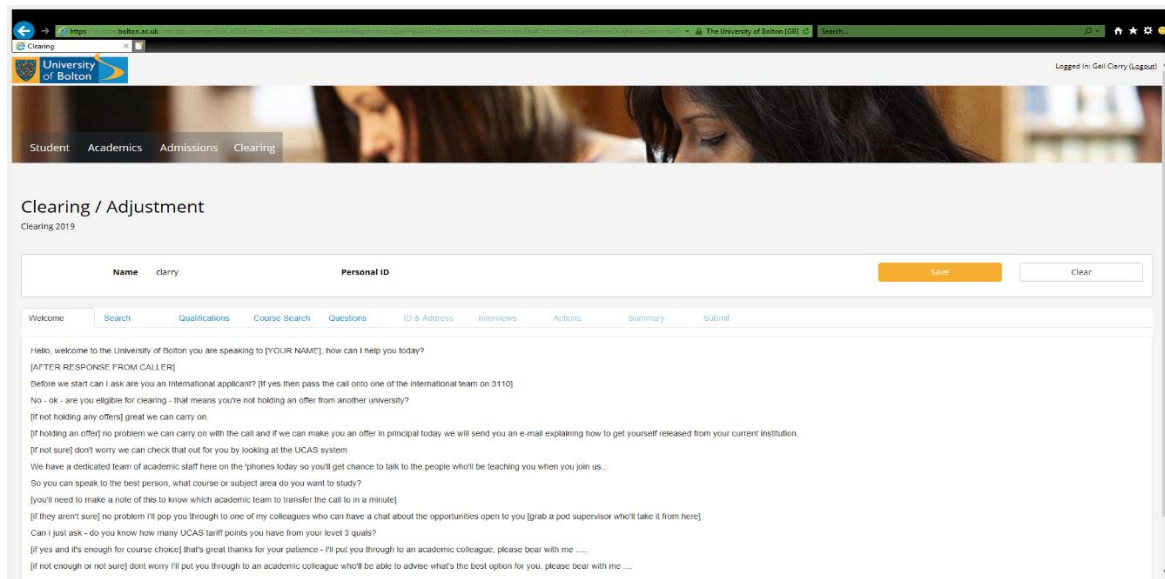

Good News Stories and latest rankings will be displayed in the room, please ensure we use these as often as we can.

Logging in to Clearing on the Web (COW)

Clearing on the web functionality is improved using Chrome as the browser. Go to https://evision.bolton.ac.uk/urd/sits.urd/run/siw_lgn and login with your normal staff ID. If you do not see Clearing on the Web automatically, click the Clearing Tab, then the Clearing Call Centre button.

Welcome Screen - The first screen you will see is the 'Welcome' Screen. This is where we will "triage" enquirers.

Hello, welcome to the University of Bolton you are speaking to [YOUR NAME], how can I help you today?

At this point, also find out whether they are Home or International. If they are International, try to put the applicant through to the International Officers to discuss the caller's eligibility to study with us (ext3110). If they are not available please take a name and number and pass to the international team for a call back.

Callers will probably ask whether we offer the course or area of study that they are interested in. All callers should have been on our course finder to ensure that their area of study is offered here before calling. - If they aren't sure of a course direct the caller to www.bolton.ac.uk/clearing

IMPORTANT: Any courses that have been closed for Clearing will be listed on the whiteboard in the room you are in.

[AFTER RESPONSE FROM CALLER] *OK, are you eligible for clearing - that means you're not holding an offer from another university?* [If not holding any offers] *great we can carry on.*

[If holding an offer] *no problem we can carry on with the call and if we can make you an offer in principal today we will send you an e-mail explaining how to get yourself released from your current institution.*

[If not sure] *don't worry we can check that out for you by looking at the UCAS system*

***We have a dedicated team of academic staff here on the 'phones today so you'll get chance to talk to the people who'll be teaching you when you join us...So you can speak to the best person, what course or subject area do you want to study?* [You'll need to make a note of this to know which academic team to transfer the call to in a minute]**

You may wish to take a note of the enquirers name and number and subject of interest at this point in case you accidentally get cut off. Jot it down on a piece of paper.

I will now transfer your call through to the appropriate member of academic staff. (If applicable)

Search

IMPORTANT: Please ensure you are speaking to the applicant in person i.e. not their parent or other interested party unless the applicant is present and can give you express permission to continue with the third party.

UCAS applicants

Ask if the caller is in the **UCAS** system and is eligible for Clearing. If the caller is unsure, ask if they have received a 6 digit **Clearing Number** (we don't need this, it just confirms that they are in Clearing). If they are not eligible or not sure we can carry on with the call and if we can make a recommendation for an offer instructions on how to be released from their holding institution will be included in the e-mail they receive from us.

If the caller isn't in UCAS and wishes to make a **direct** application, still continue with the call.

UCAS – Ask the applicant for their 10 digit Personal ID and enter it in the ID Number field

Retrieve

If the **Personal ID** isn't available, it is possible to search using this screen, by entering **Forename, Surname and Date of Birth** then pressing the Search button.

The screenshot shows a web interface with a navigation bar at the top containing tabs: Welcome, Search, Qualifications, Course Sear..., Questions, ID & Address, Actions, Summary, Interviews, and Submit. Below the navigation bar is a section titled 'Search Parameters' with several input fields: ID number, First Names, Surname, Date of Birth, and Postcode. At the bottom of this section is a yellow 'Search' button, which is pointed to by a black arrow from the text above.

A list of potential matching applicant's will be displayed, click Retrieve at the right hand side of the **correct** record.

The screenshot shows a table titled 'Search Results' with the following columns: Personal ID, App Scheme Code, Student Code, MST Code, Title, First Names, Surname, Date of Birth, Gender, Status, Source, and Action. A single row of data is visible with the following values: Personal ID (blank), App Scheme Code (blank), Student Code (blank), MST Code (1303816), Title (MR), First Names (JOE), Surname (FOLEY), Date of Birth (20/Apr/1989), Gender (M), Status (----), Source (MST), and Action (Retrieve). A black arrow points to the 'Retrieve' button in the Action column.

Personal ID	App Scheme Code	Student Code	MST Code	Title	First Names	Surname	Date of Birth	Gender	Status	Source	Action
			1303816	MR	JOE	FOLEY	20/Apr/1989	M	----	MST	Retrieve

Verify with the caller you have the correct record by checking their DOB.

If there is no match, continue the call by clicking the Qualifications tab. Additional personal information can be collected later in the call.

Direct applicants

For Direct applicants it is possible to search by entering **Forename, Surname and Date of Birth** then pressing the Search button, as above. If there is an exact match, click Retrieve as with UCAS applicants. **As above, if there is no match, continue the call by clicking Qualifications.**

Click the Qualifications tab.

Qualifications

In Qualifications, we take details of the caller's Level 3 or relevant qualifications.

Press the Add Qualification button to make the options appear.

Add Qualification

For each qualification:

- Search for the qualification – if it suggests a match, click it to populate (You will need the hyphen in A-Level, A Level will not work). All popular Level 3 qualifications are included, so if you can't find it, please ask your Pod Supervisor.
- BTEC qualifications are a little complex so most have included the relevant number of grades next to the description, ie 1GD, 2GD, 3GD etc
- **Please note, if you click the suggested Qualification, it will change to display the code on the left, in this case "NTA".**

- If you are adding a bespoke Qualification, you can enter the grade manually if it doesn't display. You may wish to add any notes to the Note field if they seem relevant.
- To add another Qualification click the Add Qualification button.
- Once complete, click the **Course Search** tab.

Course Search

Now you have input the applicant's qualifications, the Course Search page will show you which courses they are eligible for.

You can either search in the Search for Courses box, or expand the Subject Areas in the left column to find which courses we offer.

Searching for the word "Sport" will show the following.

The screenshot shows the Course Search interface with the search term 'sport' entered in the search box. The table displays 10 results:

Select Courses

A list of all available courses that the applicant is interested in within the selected subject area will be displayed.

You will notice that some courses are highlighted in red. The applicant is **NOT** qualified for this course. They did not meet the Points required with the Qualifications added on the previous screen.

If you are not the course tutor, check to see if the chosen course is on “Courses Requiring Interview” list [A1 Poster on Wall]. If so advise applicants that will get a call back from an academic in their chosen field.

IMPORTANT: At no time disclose our entry requirements (points) to the caller – they may not be who they claim to be, i.e. journalists or mystery shoppers from other institutions masquerading as applicants

Each course will have a different course code depending on whether they are UCAS or Direct. Please ensure you select the correct course. A UCAS course will end in **-U**, and a direct course will end in **-D**.

MCR Code	UCAS Course Code	Level	Name	Points Required	Select
C620-D		BSc	BSc (Hons) Sport Rehabilitation with Foundation	40	<input type="checkbox"/>
C620-U	C620	BSc	BSc (Hons) Sport Rehabilitation with Foundation	40	<input type="checkbox"/>

The example above shows an applicant who would qualify for a course, with both direct and UCAS courses listed -

When you are **absolutely certain** you have the correct course, tick the box in the Select column, press Select Courses, and the course you have selected will be highlighted in blue.

Once course selection has been made and confirmed it cannot be undone – you will see a pop up to advise you of this.

Questions

On Questions we must ask the applicant a series of standard questions before we can continue with their application. All questions are mandatory

How many GCSE pass grades do you have? *

What grade did you achieve in GCSE Maths? *

What grade did you achieve in GCSE English? *

Can you confirm you will be 18 or over on 1st September this year? * Yes No

Do you have any Criminal Convictions including any spent? Yes No

Do you have a disability you would like to declare? * Yes No

What is the name of the last School you attended? *

Q4 - Should they answer **No** to the question regarding if they will be 18 or over on 1st September, please advise them that any recommendation of an offer is subject to a risk assessment. Admissions will contact them with further information. Please continue with the questions.

Q5 - Should they answer **Yes** to the question regarding Criminal Convictions, please advise them that any recommendation of an offer is subject to our Criminal Conviction checking process. The Admissions Team will contact them with further information.

Once the final Question has been populated, press tab in order for the ID & Address option to show in the navigation bar. Click the **ID & Address** tab to continue.

ID & Address

On ID & Address, we must collect accurate contact details for the applicant. Some may be pre-populated depending on whether the applicant is UCAS, or if they have applied to us previously.

The screenshot shows a form titled 'PID' with several sections: 'Personal ID', 'Entry Type', 'Name', 'Address', and 'Contact'. The 'Name' section includes fields for Surname (*), Forename 1 (*), Forename 2, and Forename 3. The 'Date of Birth' field is set to 20/Apr/1999. The 'Address' section includes fields for Address 1 (*), Address 2, Address 3, Address 4, Address 5, and Post Code (*). The 'Contact' section includes fields for Email (*), Mobile Telephone (*), Alternative Contact Number, and Fax. Three arrows point to the 'Forename 1' field, the 'Date of Birth' field, and the 'Post Code' field.

- Recheck the applicant's names
- Recheck their date of birth
- If the applicant's address is missing type their postcode in the postcode box, then click **Lookup**. This will launch the Address Lookup. Select the appropriate address from the list and click on it. It will auto populate the address fields.

Please ensure all details are current – they may have changed for UCAS applicants or if they have previously applied.

Mobile number and email address fields are mandatory so please **recheck the spelling of the email address**. This is extremely important information – without it we will not be able to contact the applicant and they will not receive any instruction on how to refer.

Landline numbers should be input into the alternative contact number box.

All orange fields are mandatory, but please try to collect as much information as possible!

Please press the orange Save button at the top of the screen then click the Interviews tab.

Interviews

There will be a list of interviewing courses on the wall in the main tree rooms.

Please note if you are taking a call for an interviewing course and you are not from that department, you do not need to book the interview, the admissions team will pick this up from the action you will store later (see notes on Actions page).

Open Days

Applicants can be advised to book an Open Day via our website (bolton.ac.uk/opensdays).
Links will be sent via email once the call is complete.

Please press the orange Save button at the top of the screen before moving to the Actions tab.

“Please release me”

Applicants can self-release from their firm choice.

Self-release has been given a soft launch by UCAS so may not be widely known about.

This means that instead of having to contact their chosen university and wait to be released into Clearing, applicants can now do this themselves. Online self-release is available via UCAS Track to all placed applicants.

How online self-release into Clearing works

The process is simple, but incorporates a number of warnings to make sure applicants fully understand what they are doing.

- **The applicant signs in to Track, and clicks the ‘Decline my place’ button on their homepage.**
- **They will be taken to a page which explains what they’re about to do, and a drop-down question which they must complete, before confirming.**
- **They will then receive an email to confirm they’re in Clearing, and advising them to phone the university or college they declined, if they made a mistake.**

Anyone wanting to be released from UoB should be advised to self-release and not referred to admissions. The mailbox used for this purpose in previous years has been decommissioned.
