## Hiding Grades from Moodle Grade Book

Moodle Grade Book will automatically display grades of any Turnitin assignments that have been marked via GradeMark irrespective of the Turnitin assignments Post Date. To hide grades from student view within Moodle Grade Book follow the steps below:

1. Click '**Gradebook setup**' from the Moodle course Administration block. The gradebook will open to the Gradebook setup page.

2. For the grade item which you wish to hide, under the Actions column (at far right), click '**Edit**' and then click '**Hide**'. Finally click '**Save changes**'
