Semester 1 Examinations 2010/11
Strategic Management
Module No. BAM3003

This exam focuses on those lectures and 'key readings' which have concentrated on the '**European Car Industry**' as one of the theme industries of the course.

REQUIRED:

1. Using Bowman's (1996) Strategy Clock, critically analyse the different strategic positions adopted by the major manufacturers in the European Car Industry as they strive for "Competitive Advantage".

(50 marks)

2. Over the last ten years European Car manufacturers have followed a strategy of merger/acquisitions and alliances. Critically evaluate these strategic methods and evaluate the rational and success of these approaches.

(50 marks)
