

Diversity Training Video – Call for Actors

The University is auditioning students who would like to appear in the University's Diversity Training video.

We are looking for a diverse range of students as the Training video will cover all the protected characteristics. Protected characteristics cover: age, gender, ethnicity/race, religion/belief (including lack of belief), sexual orientation, gender reassignment, marriage and civil partnership, pregnancy and maternity, and disability. No need to declare what protected characteristic you are. For further information on protected characteristics please go to the Student Diversity web pages <http://www.bolton.ac.uk/Students/AdviceAndSupport/Diversity/Home.aspx>

Closing date for specifying an interest to participating in this event is

Wednesday 9th March 2011.

Auditions will be held on Monday 14th March 2011. Apologies but this is the only date that the studio could be booked so no alternative audition dates can be offered.

Contact Jo Edwards on J.P.Edwards@bolton.ac.uk or 01204 903365. Please quote your **student number** and a phone/email contact address to receive your audition time. No preparation needed for the audition.

Shirley Silcock

Equality and Diversity Officer

University of Bolton
