

Acrobat Reader 8: Read Out Loud

Using a mouse:

Click on **View** in the menu bar, then on **Read Out Loud**.

NB: If the PDF is embedded in a web page, the menu bar and most mouse-operated commands will be unavailable.

Keyboard command access:

If you are unable to use the mouse, or prefer not to, there are keyboard commands available to use instead.

Hold down the **Shift** and **Control** keys, and then press:

Y – Activate or Deactivate Read Out Loud

V – Read This Page Only

B – Read To End of Document

C – Pause reading

E – Stop reading
