1. Qualification MA	2. Programme Title Master of Arts (Policy and Practice Basic Skills Education Literacy)	3. UCAS Code N/A	4. Programme Type Modular Full-time Part-time
5. Main Purposes and Distinctive Features of the Programme			
<p>The main purpose is to enable course members to continue their professional development as educationalists by acquiring, understanding and applying advanced knowledge, skills and abilities in selected vocationally and personally relevant areas within the field of basic skills education. There is a focus on the learning and achievement of literacy basic skills learners. It is recognised that there are many factors which affect learning and achievement and the programme considers psychological issues, the use of individualised programmes to support learning and achievement including the use of ICT strategies, and an organisational approach to pastoral care. The role of the <i>Skills for Life</i> initiative is evaluated and pedagogical issues in the delivery of literacy are explored. Distinctive features are the way the course engages with contemporary matters of National educational importance and tutors who are themselves engaged in the drive to raise the quality of basic skills provision in the PCET sector.</p>
