

We're here to make your transition to university as smooth as possible. Ask us anything about applications, student life, support and courses today, and our friendly staff can support you to secure your place.

How the Study Advice Session works

We have desks set up in the **Social Learning Zone** (Building 11) between **11am** and **4pm** offering a drop-in service to speak with academic teams, Student Services, Students' Union, Admissions and other members of the support network available.

Please feel free to come along to speak with whoever you need to. If you're unsure of who you need to speak to or which department your course sits in, please come to the information point where we can help.
