

## Clinical Technical Graduate Trainee

**Department:**

Faculty of Health & Wellbeing  
Ref: HWB-010/P

**Salary:**

Salary in the range of £23,144 to  
£25,642 per annum

**\*Closing date for applications:**

**12:00 noon on Friday 13<sup>th</sup> January  
2023**

Interviews are expected to take  
place during the week commencing  
within 4 weeks of the closing date.

An application form, job description and person  
specification can be viewed on our website:  
[https://www.bolton.ac.uk/staff-area/professional-  
services/about-hr/vacancies](https://www.bolton.ac.uk/staff-area/professional-services/about-hr/vacancies) or requested by  
email: [jobs@bolton.ac.uk](mailto:jobs@bolton.ac.uk).

Applicants need to be aware that only a  
completed application form will be considered,  
unless it is specifically indicated in an  
advertisement that a CV will be accepted. Where  
appropriate, you should include a list of all  
publications when submitting your application.  
Please ensure you quote the position reference  
number on all applications submitted.

If an applicant is interested in more than one  
vacancy, a separate application must be  
submitted for each vacancy to ensure that the  
individual role requirements are addressed.

Candidates must be eligible to work in the UK, for  
more information please visit  
<https://www.gov.uk/check-uk-visa>. No agencies.

\*Please note, the University reserves the right to  
shorten/extend the closing date of any position  
where a high/low volume of applications are  
received.

### Are you interested in joining the number one University in Greater Manchester for student satisfaction?

Here at the University of Bolton, we are proud of our growing reputation as a student focussed University. With our strategy of "Teaching Intensive, Research Informed", we are committed to offering our students the best experience possible. Due to our ongoing growth, a fixed term opportunity for a graduate clinical technicians has arisen for University of Bolton students who have successfully **graduated to Degree/Higher level within the last three years.**

As well as providing opportunities to develop skills knowledge and experience within an academic/clinical setting, the successful candidates will have access to broader development opportunities including engagement with wider University professional environment.

On a day-to-day basis, you will be involved in the demonstration of processes and techniques in our health-related learning environment, including the preparation of specialist laboratories and clinical simulation suites to support teaching and student learning for all our clinical and healthcare programmes. In this fast-paced environment you will be working collaboratively with team members, academic and professional colleagues to provide an excellent customer service. You will also be involved in supporting the development and growth of simulation-based education (SBE) across the Faculty.

We ask a lot from our staff but in return, you will receive a competitive benefits package including access to the Local Government Pension Scheme, an employee benefits scheme and generous annual leave entitlement.

For an informal chat about the various opportunities please contact Simon Booth, Employee Experience & Resourcing Officer on 01204 903503 or [s.booth@bolton.ac.uk](mailto:s.booth@bolton.ac.uk).

### **Roles are fixed-term for two-years and are open to University of Bolton graduates within the last three years only.**

Please note this role will be subject to full clearance from the Disclosure and Barring service.
