An application form, job description and person specification can be viewed on our website: <https://www.bolton.ac.uk/staff-area/professional-services/about-hr/vacancies> or requested by email: [jobs@bolton.ac.uk](mailto:jobs@bolton.ac.uk).

Applicants need to be aware that only a completed application form will be considered, unless it is specifically indicated in an advertisement that a CV will be accepted. Where appropriate, you should include a list of all publications when submitting your application. Please ensure you quote the position reference number on all applications submitted.

If an applicant is interested in more than one vacancy, a separate application must be submitted for each vacancy to ensure that the individual role requirements are addressed.

Candidates must be eligible to work in the UK, for more information please visit <https://www.gov.uk/check-uk-visa>. No agencies.

\*Please note, the University reserves the right to shorten/extend the closing date of any position where a high/low volume of applications are received.

The University of Bolton is a “Teaching Intensive, Research Informed” higher education institution whose distinctive high quality, student-focussed, undergraduate and postgraduate programmes attract students from all over the world.

The University is developing and expanding the Sustainable\Electric Vehicle Engineering & Renewable Energy department by developing an industry led apprenticeship provision. This requires a dedicated individual to work with the Head of Centre to grow our provision in line the Universities strategic direction. The correct enthusiastic individual must be willing to work dynamically and have a passion for education.

We ask a lot from our staff but in return, you will receive a competitive benefits package including access to the Local Government Pension Scheme, an employee benefits scheme and generous annual leave entitlement. As a small University, you will have opportunities to work with colleagues across campus. to support and deliver the best student experience.

If you wish to discuss this position further, please contact Oliver Shaw, the Head of Centre for Sustainable Vehicle Engineering and Renewable Energy, on email [O.Shaw@bolton.ac.uk](mailto:O.Shaw@bolton.ac.uk) or telephone 07761338121.
