Applicants need to be aware that only a completed application form will be considered, unless it is specifically indicated in an advertisement that a CV will be accepted. Where appropriate, you should include a list of all publications when submitting your application. Please ensure you quote the position reference number on all applications submitted.

If an applicant is interested in more than one vacancy, a separate application must be submitted for each vacancy to ensure that the individual role requirements are addressed.

Candidates must be eligible to work in the UK, for more information please visit <https://www.gov.uk/check-uk-visa>. No agencies.

The University of Bolton is a "Teaching Intensive, Research Informed" higher education institution whose distinctive high quality, student-focussed, undergraduate and postgraduate programmes attract students from all over the world.

Our staff are at the heart of everything we do: they are highly qualified and experienced in their fields, supporting their teaching practice by carrying out quality research and engaging in continuous professional development. Staff pride themselves on being outstanding professionals that provide excellent learning, teaching and applied research and support in the provision of custom-designed, industry led courses in numerous subject areas.

We are looking to recruit an Associate Lecturer / Lecturer Nursing due to the successful expansion of the School, but most recently with the expansion of the School in our Partner Satellite colleges and Practice Partners. This role will be based at Bradford College and there will be an expectation that the successful candidate will travel to the University of Bolton to attend meetings or other events in order to meet the core business needs as required.

The key duties of the role-holder will be to contribute to the teaching and delivery of Nursing programmes, undergraduate and taught postgraduate nursing and related programmes, including the academic and personal support of students are key requirements. In addition to contribute to the student recruitment and admissions of the Nursing Programmes.

NMC registration is an essential requirement for this role along with a first degree and preferably a teaching qualification. We are particularly interested in candidates with a contemporary experience in nursing. A commitment to undertaking a PhD, and membership of the Higher Education Academy is a requirement of the post.

The successful candidate should demonstrate a practical awareness of current developments in Nurse Education and as well as being able to facilitate the creation and maintenance of a range of links between courses and the health care sector.
