Due to the growth and development of the department, an exciting opportunity has arisen for a talented and innovative Lecturer in Special Make-Up Effects (SMUFX) in the Centre of Film FX at the University of Bolton

The key duties of the role-holder will be to contribute to the delivery, development, research and administrative support of SMUFX associated programmes across the School, which will include the academic and personal support of students.

A first degree/higher qualification in a related subject is essential, but the University is also interested in candidates who can demonstrate a strong professional/industry background in the field of Special Make-Up Effects and a willingness to achieve a teaching qualification/HEA accreditation within dedicated timescales.

There are a number of professional skillsets across the field of SMUFX and candidates ideally should be able to demonstrate high level professional skills in one or more of the following areas:

- Application of FX make-up
- Mould-making and colouration of prosthetic appliances
- Hair-work
- Digital sculpting and editing packages
- Studio management

Candidates should also have a strong grounding in the theory and context of current SMUFX practice.

Candidates must be eligible to work in the UK, for more information please visit <https://www.gov.uk/check-uk-visa>.  
No agencies.

\*Please note, the University reserves the right to shorten/extend the closing date where a high/low volume of applications are received.
