shorten/extend the closing date of any position  
where a high/low volume of applications are  
received.

### Are you interested in joining the number one University in Greater Manchester for student satisfaction?

Here at the University of Bolton, we are proud of our  
growing reputation as a student focussed University.  
With our strategy of "Teaching Intensive, Research  
Informed" we are committed to offering our students  
the best experience possible. Due to our ongoing  
growth, we are now looking for a Student Data  
Analyst to join our Student Data Management team.  
On a day-to-day basis, you will support student data  
collection, reporting and analysis for the university.  
You will develop into a subject matter expert for  
specific areas of data collection or reporting, specific to  
the role.

This is a pivotal position in a small, specialist team,  
providing student data expertise for both internal and  
external customers.

We ask a lot from our staff but in return, you will  
receive a competitive benefits package including  
access to the Local Government Pension Scheme, an  
employee benefits scheme and generous annual  
leave entitlement. As a small University, you will have  
opportunities to work with colleagues across campus  
to support and deliver the best student experience  
possible.
