Halloween.

Halloween is a holiday when we can all indulge in the darker, creepier side of life and eat loads of sweets. It's a lot of fun, a little spooky, and anything but serious. Historically, however, the holiday was religious in nature and extremely significant to the culture of the people who celebrated it.

Our services include (but are not limited to):

- Help with Benefits.
- Help with housing.
- Help with Budgeting.
- Advocacy Work.
- Education and Employment.

Trick-or-Treating Tips.

Kids under age 12 should:

- ❖ always go trick-or-treating with an adult.
- ❖ know their home phone number or your cellphone number if you don't have a landline.

Older kids who go out on their own should:

- ❖ know their planned route and when they'll be coming home.
- ❖ carry a cellphone.
- ❖ go in a group and stay together.
- ❖ only go to houses with porch lights on.
- ❖ stay away from candles and other flames.
- ❖ know to never go into strangers' homes or cars.

Here are some things you could do this Halloween at home:

- *Carve pumpkins*
- *Make and send Halloween cards to family and friends*
- *Make your own toffee apples*
- *Tell spooky stories*
- *Watch a Halloween movie*
- *Create Halloween crafts*
- *Face painting*
- *Create a Halloween quiz*
- *Halloween bingo*
