Welcome to #UniAsItShouldBe

University of Bolton
Teaching Intensive, Research Informed

If you have booked your place at the Virtual Open Day you will receive a link to the Virtual page the day before. Here you will find information about the University and how to access presentations and online chat, where you can talk directly to academic and support staff, as well as student ambassadors, and ask them questions.

To find out more about how to use Zoom at the Open Day please **click here**. On the day, you can join each presentation at the start time (timetable opposite) to view the live or pre-recorded video.

If you are interested in Postgraduate study, please see the **Postgraduate programme**.

If you need help throughout the open event then you can contact the **virtual information desk**.
