Ref: ENG-121/A

Salary in the range of £36,914 – £42,792 per annum

*Closing date for applications will be **12.00 noon on Friday 10 July 2020**
Interviews are expected to take place within four weeks of the closing date.

The School of Engineering are looking to recruit a Lecturer to join an enthusiastic and proactive team within the School.

The key duties of the role-holder will be to lead and contribute to teaching and research in one or more of the following areas: - Computer Aided Engineering & Analysis, Engineering Design & Manufacture, Integrated Engineering Studies and Engineering Operations Management. Preferably applicants will be expected to have technical hands-on experience of Engineering Process and Systems and having good skills using software-based tools e.g. Matlab, SolidWorks, and Ansys etc. The role will also include the academic and personal support of students.

Applicants will be required to have completed, or be close to completion of a PhD in an area related to the above topics. Membership of a relevant professional body, preferably with CEng status will be a distinct advantage. In addition, a relevant teaching qualification and/or fellowship status of the Higher Education Academy (HEA), or a willingness to obtain fellowship membership of the HEA within a specified time frame, will be a requirement.

The successful candidate should demonstrate an awareness of current developments and priorities within the Mechanical Engineering sector as well as being able to facilitate the creation and maintenance of a range of links between academic and Mechanical Engineering organisations.

Relevant teaching and programme delivery experience, as well as being able to undertake appropriate subject specific research, is essential.

An application form, job description and person specification can be viewed on our website: <https://www.bolton.ac.uk/staff-area/professional-services/about-hr/vacancies/> or requested by email: jobs@bolton.ac.uk. Alternatively, please telephone our 24 hour answering service on extension 3579 (Please leave your home address details). Please remember to quote the position reference number.

Applicants need to be aware that only a completed application form will be considered, unless it is specifically indicated in an advertisement that a CV will be accepted. Where appropriate, you should include a list of all publications when submitting your application. Please ensure you quote the position reference number on all documentation submitted.

If an applicant is interested in more than one vacancy, a separate application form must be submitted for each vacancy to ensure that the individual role requirements are addressed.

Candidates must be eligible to work in the UK, for more information please visit <https://www.gov.uk/check-uk-visa>. No agencies.

*Please note, the university reserves the right to shorten/extend the closing date of any position where a high/low volume of applications are received.
