Option A
I have informed this member of staff that I have a previously undisclosed disability/additional requirement/medical condition and I agree that this information about my disability and needs may be shared (on a need to know basis) with relevant University staff and outside agencies such as funding bodies or Access Centres to ensure that appropriate support can be put in place as fully as possible. I understand this option means my support needs will be able to be met as fully as possible.

Option B
I have informed this member of staff that I have a previously undisclosed disability / additional requirement/medical condition and I agree that this information about my disability and needs may be shared (on a need to know basis) with some named University staff (these must be clearly listed).
