

Psychology Technician

Department:

Education and Psychology
Ref: EDP-093/P

Salary:

Salary in the range of £25,217 to
£30,046 per annum

***Closing date for applications:**

**12:00 noon on Thursday 10
December 2020**

Interviews are expected to take
place during within 4 weeks of the
closing date (via Zoom).

An application form, job description and person
specification can be viewed on our website:
[https://www.bolton.ac.uk/staff-area/professional-
services/about-hr/vacancies](https://www.bolton.ac.uk/staff-area/professional-services/about-hr/vacancies) or requested by
email: jobs@bolton.ac.uk.

Applicants need to be aware that only a
completed application form will be considered,
unless it is specifically indicated in an
advertisement that a CV will be accepted. Where
appropriate, you should include a list of all
publications when submitting your application.
Please ensure you quote the position reference
number on all applications submitted.

If an applicant is interested in more than one
vacancy, a separate application must be
submitted for each vacancy to ensure that the
individual role requirements are addressed.

Candidates must be eligible to work in the UK, for
more information please visit
<https://www.gov.uk/check-uk-visa>. No agencies.

*Please note, the University reserves the right to
shorten/extend the closing date of any position
where a high/low volume of applications are
received.

Are you interested in joining the number one University in Greater Manchester for student satisfaction?

Here at the University of Bolton, we are proud of our
growing reputation as a student focussed University.
With our strategy of "Teaching Intensive, Research
Informed" we are committed to offering our students
the best experience possible. Due to our ongoing
growth, we are now looking for a Psychology
Technician to join our Psychology team. On a day-to-
day basis, you will be involved in taking responsibility
of the maintenance and management of psychology
labs and other specialist equipment, provide
technical support for staff and students specially in
experimental workshops, and the set-up and co-
ordination of specialist experiment equipment. Your
role also involves providing advice about new
equipment, software and purchase.

We ask a lot from our staff but in return, you will
receive a competitive benefits package including
access to the Local Government Pension Scheme, an
employee benefits scheme and generous annual
leave entitlement. As a small University, you will have
opportunities to work with colleagues across campus
to support and deliver the best student experience
possible.
