

Job Description

| | |
|-------------------------|---|
| Position: | Senior Lecturer – Nursing / Clinical (Midwifery / Adult / Child / Mental Health / Clinical / Operating Department Practitioner (OPD)) |
| Faculty/Service: | Health and Wellbeing |
| Grade: | Grade 8 |
| Hours: | Full-time / Part-time |
| Status: | Permanent / Fixed Term |
| Reporting to: | Head of School of Nursing and Midwifery / Clinical and Biomedical Sciences |

Main Function of the Position:

- To lead and teach on undergraduate and taught postgraduate and related programmes, leading as appropriate in dedicated areas.
- To contribute and lead, where appropriate, to commercial income generation activity, and will undertake research and scholarly activity to contribute to the development of new areas in their relevant subject field.
- To be responsible for leadership and delivery of teaching, assessment, curriculum development and associated research and enterprise initiatives.

Principal Duties and Responsibilities:

1. The management and direction of academic/research team(s), students and learning resources as assigned by the Head of School.
2. Be responsible for the design, delivery and on-going evaluation of relevant modules/programmes, ensuring Faculty/ School objectives and learning outcomes are met, and reflects relevant content and current practice.
3. Attend and participate in work based activities at partner institutions and trusts as required
4. Develop and monitor innovative and creative appropriate assessments which measure student performance and understanding, to ensure learning outcomes have been met.
5. To provide effective management for academic leadership on Nursing and Health courses/programmes and the process of enrolment, induction, student choice, module scheduling and provision of any relevant student information.
6. Challenge ideas, foster debate and encourage students to develop skills in critical discourse and rational thinking.

7. Use a variety of learning and teaching methods/materials (e.g. web-based and blended learning) to enhance the student experience.
8. Take responsibility for the pastoral care of students within a specified area, referring problems on where complex or serious.
9. Coordinate others and plan assessment deadlines and specific teaching arrangements to ensure student needs and expectations are met and that time and resources are used effectively.
10. Undertake research or other agreed scholarly activity in order to contribute to the development of Faculty/ School Practise.
11. Manage the demands of teaching, administration, research and scholarly activity to ensure competing deadlines are met.
12. Design, review and adapt academic/programme content and guidance materials by interpreting student feedback pre-empting needs to enable input to the overall development of the programme and enhance and support student progression and experience.
13. Identify and prepare proposals and applications to external bodies, as required, to secure research funding and generate additional income/opportunities for the University.
14. Write and publish results of high quality and innovative research within national and international literature and peer reviewed journals developing appropriate research methodologies to further scholarly activities.
15. Supervise the work of taught postgraduate and/or research students, as required, to support the development of student research skills.
16. Develop research objectives for own/and/or collaborative research in line with funding criteria. Act as a referee and contribute to peer assessment for appropriate journals as required.
17. Identify gaps in course content and programme structure with colleagues and devise creative solutions which meet the requirements of overarching teaching frameworks.
18. Proactively and effectively engage with quality assurance procedures, contributing to papers as appropriate, to ensure School/University standards are upheld.
19. Provide support, guidance and training to junior members of staff on the skills, processes, and activities relevant to the School. Provide feedback to colleagues via peer mentoring schemes to support development of self and others and ensure continuous improvement of the School's performance.
20. Contribute to and assist in appropriate pre-entry, recruitment, selection and admissions activities (including Open Days/Industry and Partner Visits) to promote the School and identify student needs and expectations. Coordinate student events ensuring appropriate use of time and resources.
21. Interact on a professional level with relevant internal and external professional bodies to ensure currency of knowledge, relevancy and accreditations.

22. Ensure and maintain integrity and confidentiality of data and associated data protection requirements in line with statutory and corporate requirements
23. Ensure a safe working environment and abide by University health and safety policies and practices and to observe the University's Equal Opportunities policy and Dignity at Work policy at all times.

Note:

This is a description of the position requirements as it is presently constituted. It is the University's practice to periodically review job descriptions to ensure that they accurately reflect the role requirements to be performed and if necessary update to incorporate changes where appropriate. The review process will be conducted by the relevant manager in consultation with the position holder.

Please note some roles may have a requirement to travel and attend events external to the University in support of Faculty/University business requirements.

Please note that this appointment is subject to Disclosure and Barring Clearance.
