

**TERMS & CONDITIONS OF ENROLMENT FOR 2019/20 FOR STUDENTS
ENROLLING ON REMOTE LEARNING COURSES WITH THE UNIVERSITY OF
BOLTON (INCLUDING AT FRANCHISE CENTRES)**

IMPORTANT NOTICE

These Terms and Conditions of Enrolment apply to all students who wish to enrol and study with the University on an initial and/or short term basis via, by exception, remote learning during the period of imposed UK government restrictions as a result of the COVID-19 pandemic.

Important Notice: Set out below are the University of Bolton's Terms & Conditions of Enrolment for all students who wish to study at the University. These Terms & Conditions of Enrolment together with the University's Student Admissions Policy, Course Fees Policy and other Rules, Regulations and other provisions and requirements and other policies and procedures of the University which apply to students will form an essential part of the contract between the University of Bolton and you (the student).

As part of the enrolment process, you will be asked to carefully read and understand each condition below; please note that after reading each condition you will be asked to tick an acceptance box to indicate your agreement to that condition. The enrolment process will be concluded once you have ticked each and every acceptance box and the University will then confirm to you completion of your enrolment to study. If you decline to accept each condition of enrolment you will not be considered as enrolled and you will be considered as wishing to terminate your contract with the University – in which case you will not be entitled to attend classes and/or have access to the University's services and facilities.

Please be aware that it is your responsibility to apply to Student Finance England for a tuition fee loan to pay for your course fees at the University, if this is the method by which you choose to pay. To ensure your funding arrangements are in place, you are advised to promptly submit your application to Student Finance England as soon as you know the details of the course you are to study. You do not have to wait until you have received your offer to study from the University. The University is not able to make an application to Student Finance England on your behalf. Further information on tuition fee loan funding can be found at:

www.direct.gov.uk/studentfinance

Cancellation – At enrolment you will become liable to pay tuition fees and the University agrees to provide educational services. You are entitled to cancel this contract, without reason, any time up to 14 calendar days after enrolment and can use the [Enrolment Cancellation Form](#) to do so. The 14 calendar days is calculated from the day after the student completes enrolment or for 14 calendar days from the day after the published start date of the course whichever is the latest.

If you cancel within 14 calendar days of enrolment in accordance with above, the University will refund any monies paid by you or your sponsor at enrolment. The University will make the refund using the same means of payment as you used for the initial transaction and the money will be sent to the same person or organisation who made the initial payment to the University.

In the event that you do not cancel your enrolment within the 14 calendar days in

accordance with the above then you will be deemed to have read and accepted these Terms & Conditions of Enrolment. If you commence attendance on a course of study prior to enrolling or during the cancellation period you will be liable to pay the University an amount in accordance with the Course Fees Policy 2019/20 until you communicated cancellation to the University.

Below are the statements that you will be asked to read and accept as conditions of your enrolment at the University of Bolton ('the University') which form an essential part of the contract between us for your course of study at the University.

The University may have to make changes to your contract during the duration of your course; such changes will be fair and communicated to you in annually reviewed and updated Terms & Conditions of Enrolment for each Academic Year.

1. I understand and accept that I am enrolling on to this course to study on an initial and/or short term basis via, by exception, remote learning due to the current restrictions imposed by the UK government due to the COVID-19 pandemic.
2. I understand that the University may require me to verify my identity and if requested I will promptly provide verification of my identity (in person) to the University within the timescales specified by the University.
3. I understand and I am fully aware that providing false or inaccurate information including verification of my identity when enrolling can lead to disciplinary, financial and legal action being taken against me, to my enrolment on the course being cancelled or restricted and any contributor to my course fees or funding being so informed. I understand and I am fully aware that if my course involves a professional accreditation or potential registration, it may also lead to consideration of fitness to practise in line with the fitness to practise procedure available in the Student Information – Policy Zone (accessible via: <https://www.bolton.ac.uk/about/governance/policies/student-policies/>).
4. I have been provided with access to and have read and agree to comply with the Rules, Regulations and other provisions and requirements, policies and procedures of the University which apply to me as a student, including amongst other things the **Academic, Examination and Assessment Regulations and Student Disciplinary Procedures** and any third party contract (if applicable) (as set out on the University's website www.bolton.ac.uk in the Student Information – Policy Zone directly accessible via <https://www.bolton.ac.uk/about/governance/policies/student-policies/>) and I agree to attend, when requested by the University, all mandatory information sessions associated with my enrolment and study at the University.
5. I understand and accept that certain subjects may require me to demonstrate particular competence standards before I am accepted on to, progress within or successfully complete, a course or programme of study. I accept that whilst the University will make reasonable adjustments to ensure that I am not disadvantaged in demonstrating my competence, no adjustments will be made to competence standards deemed justifiable to the course or programme of study in question.
6. I understand and accept that if I am registered on a course of study leading to a professional qualification I may also be subject to regulations relating to fitness to practice which are drawn up in light of guidance issued by the relevant professional body.
7. I accept a place on the course as stated in the on-line enrolment and I agree that I will undertake my studies in a diligent and responsible manner.
8. I understand and accept that the University will make every effort to provide education services with reasonable care and skill and in the manner set out in its published material. exercised fairly and reasonably and which I will be entitled to receive fair and reasonable notice. The content of course modules and mode of associated assessments may be updated on an annual basis. This is to ensure that all modules are up to date and responsive to employment and sector needs. The published course material and the programme specification contain indicative 'optional modules' that may be subject to change due to circumstances outside of our control. For this reason we cannot guarantee to run any specific optional module. I further understand that I am able to withdraw from my course of study in accordance with the Course Fees Policy if I am adversely affected by any change to my course.

9. I understand and accept that external factors such as industrial action or other circumstances beyond the control of the University may make it impossible for the University to provide those education services offered. For this reason the University may have to make variations and will make every effort to minimise any disruption that may result from such changes and will seek to provide fair and reasonable remedy to those adversely affected by such disruption.
10. I understand and accept it is a condition of my entry on to the course, and my subsequent continuation in each Academic Year, that I formally enrol for each year of study using the University's on-line enrolment process.

14. **I understand and accept that, as set out in the Course Fees Policy (available in the Student Information – Policy Zone at: <https://www.bolton.ac.uk/about/governance/policies/student-policies/>), if my course fees are not fully paid then I may be subject to a range of actions up to and including being withdrawn from my course, being prohibited from attending the University's Degree Congregation and having my final results transcript and award certificate withheld.**

my personal data to a country outside the European Economic Area (for example, if I undertake a course in such a country, or that is my country of origin) and that by completing this on-line enrolment I consent to the transfer of data in these circumstances and for those purposes.

17. I agree to the disclosure to third parties (who demonstrate to the University's satisfaction an acceptable and justifiable need to know) of the fact that I am registered for an award of the University and my enrolment status, course details and academic results. 24. I accept and understand that in the event that I wish to transfer to a new course, level or mode of study at the University, then I will need the University's consent to do so which will be provided on the basis that I satisfy all the new eligibility criteria for the course and that I accept that I will need to enter into a new contract with the University to facilitate my transfer. I understand and agree that I will not be entitled to a 14 day "cooling off period" when transferring to a new course, level or mode of study at the University.
