

# Job opportunities for those affected by the crisis in Ukraine

# Here at the University of Bolton, we are proud of our growing reputation as a student focussed University with a diverse student and staff base.

As a small but diverse agile HEI, we endeavour to respond to the constantly changing national and international landscape. We are in a position to provide prospects to those most in need and wish to support displaced Ukrainian nationals with their job search through a range of employment opportunities. These include; job shadowing, 4-week long work experience and access to our current vacancies at the University. To support further, we also offer a Guaranteed Interview Scheme for our advertised jobs if affected individuals meet all of the essential criteria for a post.

We have a number of University wide opportunities across our academic and professional services including but not limited to **Facilities & Estates, Catering, Security Services, Information Technology, Student Administration, Human Resources, Finance and Student Services** and our multidisciplinary academic areas **Health, Nursing & Wellbeing, Education, Psychology, Institute of Management & Law, Engineering, Arts & Creative Technologies** and the **School of Medicine**.

## Take a look at our website and vacancies pages:

We recognise that our people are our most important asset and resource. We are proud to work together with staff and stakeholders in joint pursuit of our vision, purpose and values.

Bolton is a historic town, and a great place to live during your time at the University in the UK. It's a large, thriving town, with many shops, bars, restaurants and leisure facilities as well as a long established Ukrainian Centre. Just 17 minutes by train from Bolton is Manchester; one of the UK's most multicultural and liveliest cities. Here you can find even more culture, attractions and a vibrant nightlife.

The University appreciates the challenges of the current situation in Ukraine and as part of these employment opportunities, the University will provide careers support and advice and for those taking up the offer, access to wellbeing services.

If you are interested in exploring any of these opportunities further or in attending an open day for prospective staff we can be contacted at the following email address [ukrainejobs@bolton.ac.uk](mailto:ukrainejobs@bolton.ac.uk)

**If you are interested in working in more than one area or discipline, please specify this in your email to us.**

Candidates must be eligible to work in the UK, for more information please [click here](#) and for specific information about the situation in Ukraine and how this may affect your visa situation, please visit this section of the [UK Government website](#).
