

Welcome to #UniAsItShouldBe

If you have booked your place at the Virtual Course Advice Day you will receive a link to the Virtual page the day before. Here you will find information about the University and how to access presentations and online chat, where you can talk directly to academic and support staff, as well as student ambassadors, and ask them questions.

To watch a presentation please sign up for the Course Advice Day so that the joining instructions can be sent to you. On the day, you can join each presentation at the start time (timetable opposite) to view the live or pre-recorded video.

If you are interested in Undergraduate study, please see the [Undergraduate programme](#).

If you need help throughout the open event then you can contact the [virtual information desk](#).
