WELCOME

As the Honorary Director of the Centre for Contemporary Coronial Law it is my pleasure to be part of a team of committed and immensely knowledgeable individuals within our new centre.

We embrace the university's 'Teaching Intensive, Research Informed' (TIRI) agenda by committing the Law School to provide legal education and research in the important area of coronial law which has nationwide reach to all professions who interface with the coroners' service.

The centre delivers a pioneering unique series of professional development lectures delivered in partnership with the School of Law. Furthermore, we are delighted to be extending the Bolton Coronial Law lectures into Sheffield.

PROFESSOR JENNIFER LEEMING
HM Senior Coroner, Manchester West
