(Previous applicants need not apply)

The School of Engineering are looking to recruit a Lecturer to join an enthusiastic and proactive team within the School.

The key duties of the role-holder will be to lead and contribute to the development, delivery, research and administrative support of two or more of the following areas: Digital and Analogue Electronics, Medical Engineering, Control Systems and Mechatronics. The role will also include the academic and personal support of students.

Applicants will be required to have Membership of an appropriate Professional body with CEng status. In addition, a relevant teaching qualification and/or fellowship status of the Higher Education Academy (HEA), or a willingness to obtain fellowship membership of the HEA within a specified time frame, will be a requirement.

The successful candidate should demonstrate an awareness of current developments and priorities within the Electrical and Electronic Engineering sector as well as being able to facilitate the creation and maintenance of a range of links between academic and Electrical and Electronic Engineering organisations.

Relevant teaching and programme delivery experience, as well as being able to undertake appropriate subject specific research, is essential.

An application form, job description and person specification can be viewed on our website: [Bolton University / Vacancies](#) or requested by email: jobs@bolton.ac.uk. Alternatively, please telephone our 24 hour answering service on 01204 903 579 (Please leave your home address details). Please remember to quote the position reference number.

Applicants need to be aware that only a completed application form will be considered, unless it is specifically indicated in an advertisement that a CV will be accepted. Where appropriate, you should include a list of all publications when submitting your application. Please ensure you quote the position reference number on all documentation submitted.

If an applicant is interested in more than one vacancy, a separate application form must be submitted for each vacancy to ensure that the individual role requirements are addressed.

Candidates must be eligible to work in the UK, for more information please visit <https://www.gov.uk/check-uk-visa>. No agencies.

*Please note, the university reserves the right to shorten/extend the closing date of any position where a high/low volume of applications are received.
