What is LEAP Online?

LEAP Online is the University of Bolton’s award-winning online student learning and skills development platform. There are a wide range of modules designed to support you during your studies, from essay writing and referencing to exam preparation and using Moodle. Use LEAP Online to get a head start in your studies and collect digital badges to showcase your progress.

What our students say about LEAP Online:

“LEAP Online is like little bite-sized pieces of information. The shorter and snappier the information, the easier it is to learn it especially with such a busy schedule during Uni times”
